

Dear Coronary Surgical Colleague:

We are delighted to invite you to join us for an exciting day of [virtual conversation and collegial discussion](#) of the state of the art in surgical coronary revascularization on Saturday, 5 December 2020. The [6th Annual International Coronary Congress](#) will bring together the preeminent experts on the surgical treatment of coronary artery disease from around the world to share best practices, new insights, their favorite techniques and pearls of wisdom with a global audience of scholars and surgeons.

The International Coronary Congress is the only international meeting devoted solely to coronary bypass surgery and has now evolved to include a membership society. Your [50 USD registration](#) for the 2020 Virtual ICC meeting entitles you to:

- **live attendance and later access** to the entire online meeting,
- participation in **live interaction panel discussions**,
- **5 hours** of CME Credits
- a **robust exhibitor presence** will provide attendees access to the latest devices and technologies to facilitate state-of-the-art surgical coronary revascularization,
- **complimentary membership for 2021** and permanent designation as an Inaugural Member.

Our program is endorsed by both AATS and STS and supported by numerous other international cardiovascular surgical associations and societies. We look forward to seeing you on 5 December. Join your global coronary surgical colleagues at ICC 2020!

Very best regards,

John Puskas and David Taggart  
2020 Course Directors
