

# IACTS SCORE 2020

7th - 8th  
March

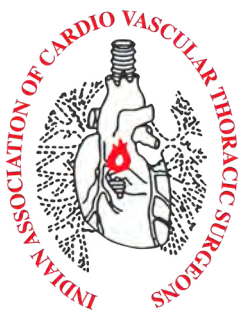

Indian Association of Cardiovascular-Thoracic Surgeons

*in association with*

Sri Sathya Sai Institute of Higher Medical Sciences  
Whitefield

IACTS SCORE 2020 is a 2-day academic program for exam-going residents of DNB (CTS 6 years) and MCh (CTVS 3 years), with the primary objective of providing pearls of success for the exam day with didactic resources and presentations for excellence in examination process. It brings together renowned faculty-teachers and students under one roof to ensue meaningful and continued evaluation of the participants to build up on gaps in knowledge, strengthen concepts and draw a line between applicability and prudence in the goal of faring well in examinations and a fruitful career as a CT Surgeon.

# Introduction

---

IACTS SCORE is an annual 'Practical Exam Oriented program' has been conceptualized and executed 'By the residents – for the residents' under the guidance of eminent teachers and experienced examiners.

## Why IACTS SCORE?

---

The residents attending the program will have a chance to go through their exam day, the difference being, our teachers and examiners will be guiding them through the entire process.

## Uniqueness of IACTS SCORE 2020

---

Simulation of the CTVS DNB/MCh practical exam day with National DNB/MCh examiners to make students aware of the level of preparation expected out of them during the exams.

Didactic sessions only for quick revision of the important basics of CTVS course.

Separate category updated with details of instruments included with SSSIHMS notes version VII.

There will be three exams going students on the dais in each session and they will directly interact with the examiners to make the sessions interactive.

More time allotted to discussions on X rays, ECHO, ECG, Biostatistics, MACS, CPB, history of cardiac surgeries and thoracic surgery discussions as demanded by the students and advised by the faculty.

# DAY 1 - 7<sup>th</sup> March

## Session 1 - Orientation Program

8:00 am - 8:10 am	Inauguration and prayer	
8:10 am - 8:20 am	Welcome Address	Dr. Bashi V. Velayudhan Dr. Shekhar Rao
